SUBJECT: Reimbursement for Certain Detailees

1. On 17 September 1987, the Senate Committee on Appropriations reported out the Treasury Appropriations Bill. In that bill is contained a provision which would require, in FY89, that all parent agencies be fully reimbursed for employees detailed to other agencies for more than 60 days. Quarterly reports to the Appropriations Committee are required in FY88. This measure, which is attached, represents a compromise from language which would have required full reimbursement in FY88.

2. The House passed its version of this bill in July. It appears that the Senate will attempt to bring its bill to the floor for a vote sometime within the next few weeks and that conference would occur soon thereafter. In order that we may ensure the Agency's equities are fully protected, we ask that you comment on this provision at your earliest opportunity.
